“ *Marilyn, I am truly sorry for your loss, and also his children and grandchildren. I am so heart broken to know that Jerry is no longer among us but I have so many memories of our friendships and journey through Viet Nam that he will never be forgotten as long as I am still in this body. Jerry was and is my bestest friend that I have ever had outside of Jesus( my best friend) So many tales I could tell but I suppose that he has already told you all of them over and over again. Family please know that I have been and will continue to pray for you and that I am here for what I can do for you. Johnny Mink*
