“ *Becky, Marty and Lynn, David and I were so sorry to hear of your mother's passing. A beautiful woman, inside and outside, Jewell was most aptly named. We remember her warm and welcoming nature, as well as her knowledge of and dedication to her profession. Rare is the lady who can take care of family, friends, acquaintances and patients with such grace. We will hold you and your family in our hearts and prayers in the coming sad days. May happy memories and God's love bring you comfort. Lovingly, Cathy Evans,*
