“ *During my first years at Union Academy, Dot taught all of the Berch boys – Bill, Bob, and Jimmy. Over the years, Jimmy was our neighbor and our plumber and always our friend. We could count on his smiling face, easy laughter, and his willingness to help. Somehow we missed the announcement of his passing and funeral service. I guess I would've felt guilt if not being able to attend, so maybe it was a good thing. But please know that we sorrow along with you but not as greatly as you. May you revel in good memories of a great guy!
