“ Joan was the typical cousin growing up...fun and kind to all her cousins. She seemed to always have a smile. She'll be missed!

“ She was always ready to help anyone. She loved her children, Grandchildren and great Grandchildren more than words can ever tell. She gave so much! I remember a business owner had a big sale and of course she went! She bought every purse the person had left (i think it was about 20 or more) the back of her SUV was Full!! She handed them out to anyone that wanted one that she was in contact with! Worked for Hopewell Baptist Church anyway needed. None of us are perfect and neither was she, but she did more good than people will ever remember. She was loved, she will be missed, but we have so many wonderful memories of her!❤️

I have so many memories of Joan she is precious.
I remember all about her.
We had our great times together.
We had our share of good times and bad times .
We shared each other's secrets.
We laughed a lot.
I love you much Joan❤️

I was blessed to be her pastor for many years. One of many memories was when she found out my wife liked a dish that she brought to a church dinner and without any hesitation, she ordered her the whole set of pots. That was the heart of sister Joan. She will be missed. The family will be in our prayers in days to come.
