“ *Aunt Joan, We will miss you very much. As I write this, Candy and I have had many tears flowing since Wednesday and we know you are taking care of those babies in Heaven and we are reassured that Heaven welcomed 4 new angels that day. Heaven rejoiced and we are comforted by that although it is hard for us to understand at times. We love you all and I want to say a personal THANK YOU for you and Uncle Kennel taking me in when I needed a place to stay. Our family reunions and get to togethers will never be the same without you being there but You will always be there in our thoughts and prayers. We love you and truly miss you already.
