“ Dear Barlow, Clay and Tim,
I was so shocked and saddened to learn from Kenneth Douglas about Joann passing away. She was so much fun to be around and loved her family. She was such an asset to Pearl Schools! My heartfelt sympathy, Betty B. Wilson

“ I will never forget the kindness she gave me when I was a kid. She was Amazing person and cared for everyone she met. I remember her and my mother playing softball together and how she made me feel important by buying me my first makeup. I will so miss you my friend!!

“ Bart, Clay, and Tim - you have to know what JoAnn meant to me. I am heartbroken for the three of you and her remaining family. Losing one of my best and true friends was such a shock as I am sure it was to all the family. We know without a doubt where she is resting today - our loss is Heaven's gain. You can count on me for prayers and I would hope anything else that you need. I love all of you - you, as well as JoAnn, have been and will always be family to me. God's blessings and comfort to all.
