“ Her daughter had the headstone installed on her grave. She had the name Joy Smith and purposely left off her legal last name. That is unpardonable. Her legal name was JOY SMITH HOLLON. How do I have her last name installed?

“ My heart is so saddened this morning!! I love Ms. Joy!!! What a gracious, kind, and 'bubbly' lady she was. I know she is rejoicing in Heaven waiting for us to join her one day!!!! Such a beautiful, beautiful soul. Sherry and Mr. John, you are in my prayers and thoughts!!! God Bless!!!,

“ My heart is broken, but she is in a much better place. I love this lady so very much. I lived across the street from her for 16 years. She watched my children grow up. She adored them and they thought she was IT and still do (they don't know yet they are are work). She gave them peanut butter and jelly sandwiches all the time. I will always think of her when I see one from now on and pansies, she picked Zach a pansy in her yard one day and the next day he snuck over there and picked every one in her yard and knocked on her door and was giving her a present (he was 4). She handled it well, I know it was hard for her to not get mad, but she didn't, she was the one who showed him how and she explained about not picking them all, but was thankfu for the present. She will be dearly missed and many tears will be shed by my family and I. She was famous for showing up in the oddest places at the oddest times, like the last time I saw her I was in Kroger at Flowood around 6 p.m. and she came up behind me and put her hands over my eyes and said "Guess Who." I cried then at getting to see her, she was so happy. OH WHAT A JOYOUS DAY IT WILL BE WHEN WE ALL GET TO HEAVEN!!!!!!! I can't wait to see all the loved ones I have lost. God please take care of her family as they go through this hard time. With blessings, Patty Lindsey,
