“ Many great memories were with Uncle Greer & Aunt Juanita when they came to my grandparents' many weekends and other occasions back during my childhood and teenage years. This was back when people visited each other, put up corn and other vegetables together for days, cook steaks and burgers on the grill or have a fish fry and other times just go to Parker's or Sudies Fish House, play card and board games, relaxing in the recliner watching news when news was news, nature shows, ball games, movies or just having conversations about back then.

I was very thankful to get to stay with them during the week for a month my very first month at college at Colin and visited them numerous times until Uncle Greer died in 2018. I was very thankful I got to visit Aunt Juanita a few minutes about a month ago.

I always loved Aunt Juanita, & Gage, Sara, Tommie, Betty and all the extended family and friends, I pray for comfort only God can give during this time of grief.
