“ *Typical of David. He is wading barefoot in the South Pacific Ocean.,*

Merlin Orr - April 21, 2015 at 12:00 AM

“ *Buster, Debi, Cindy, David -- I sorry to hear about Aunt Helen. Our love, thoughts and prayers are with each of you. I was just thinking the other day how summers spent at your house was fun and work. Your mom and dad had us working on the summer garden produce. Mom said Aunt Helen always greeted us with a smile and and a smile when we left. Know our hearts are with you. Love you all!,*
