“ Dear Harold and Teresa, You can shed tears that he is gone or you can smile because he has lived. You can close your eyes and pray he will come back or you can open your eyes and see all that he has left. Your hearts are empty because you can't see him or you can be full with the love you shared. You can turn your back on tomorrow and live yesterday, or you can be happy for tomorrow because of yesterday. You can only remember him only that he is gone or you can cherish his memory and let it live on. You can cry and close your mind, be empty and turn your back, or you can do what he wanted, "Smile, open your eyes and go on ~ You can shed tears that he is gone or you can smile because he has lived. My heart pours out for you and your family. Justin was a precious young man, talented and blessed. Let me know what I can do to help ease your hearts. I'm right here for you if you need me. “ Justin was such a nice young man. My first memory of him was before he was born. Theresa and I met when we were both pregnant attending a nursing class at Baptist Hospital. A mutual friend suggested we ride together. He was born April 12 and Bethany was born April 4. I remember him from Copiah Academy he was in same class as Bethany. He was a great drummer, My heart breaks for the loss of this young man. Family, please know that you are in my prayers as you face this difficult path of the death of a child.

“ I remember when Justin was training to fly at Hinds. Our son, Ronnie, was his instructor for a while. Ronnie always said that Justin was "a natural" at flying. Just took to it with great ease. Went to several flying competitors and won awards and helped the HCC team win many trophies and awards. I also remember how polite and considerate he was each time we saw him. He will be sorely missed.
