“ *Linda, thank you for sharing with me today. Although I didn't have the opportunity to meet Brian, in my heart I know that we was a wonderful and very special person. As you know God has a plan for each of us. And, if I was a betting man, I'm sure that He had some very important work for Brian and my dear son Keith. When we are once again reunited with our boys I'm sure that God will bless us with that knowledge. Once again thank you for taking the time to share with me. Sincerely; Don Swiatkowski,*
