I want to send my prayers and condolences to all of Kathy's family and friends. God bless each of you. Kathy and I grew up next door to each other we have been friends for 50 plus years. We grew up in the best neighborhood in the world. We rode our bikes around and around the block from daylight to dark during the summer months. On several occasions Kathy and I even snuck off and rode our bikes all the way to town and back. We roamed those woods, hills and gullies in Indian Hills during the day and at nights we would play under the street lights in front of our houses. We camped out under this huge light Kathy's daddy hung from a big pine tree. There's not a day that goes by that I don't have a memory of all of us kids from our neighborhood.
