“ *I met Kristina one time, but had talked to her a good bit. She was a wonderful person and friend. She will be greatly missed.*

I baby sitter Kristina and her sister Corie when they were babies. She was one of the most precious babies that I knew. She survived so many heart ordeals as a baby. God had his hands on her all through her life. I loved them both so very much! Kristina will be missed greatly! Prayers go out to her family for comfort and strength.
