“ *Well...found out my dad will be put to rest in Chicago this Monday and again, Bessie has stopped his children from attending. What a sad and poor excuse for a so called “woman”.*

“ *To all the people in my dad's life. Let him rest. Let the fighting stop. The arguing silence. He is gone and no amount of hurt or hurting of others will ever change that. So please try to love at least for a time. Dad wouldn't want to hear the things that are being said by any one of us. That is enough.*
