“ *Greg, Heath, Lacey and family, Larry Berry called last night to tell us the news. Even though it has been a long time since we have seen one another, Mark and I will never forget the good times we spent with you and Lorrie. Had it not been for the both of you Mark and I would not have gotten married. I will never forget sitting in your den , Lorrie pointing her finger at Mark, and telling him he had better marry me. I am so thankful for her insistence and determination. We are saddened by Lorrie's death but rejoice in her life and are praying for your family. Wish we could be with you during your time of sorrow. We love you. Mark and Karen Faulkner,*
