“ *My condolences to Lynettes' family and close friends. I'd like to include 2 names that I did not see in the obituary...Laticias' Long time partner ,Tommy Rought, as well as family's dear friend Jennie Graham. Both were vital in the caring for Lynette, especially in her final days. God Bless them both and Laticia for staying by her side for the long haul and until the end.*

“ *I was so sorry to hear about Lynette's passing. I worked with her at Dyatech and we kept in touch after we both were let go. She was an awesome lady and friend. She always talked about how much she loved her family. I will miss talking to her and her family is in my prayers.,*
