“ *Such a sweet baby. When you sat in front of me at church, I spent more time smiling at sweet Kenzie or Wiley than looking at the preacher. Kayla, you were meant to be a mother and been so caring and the last four months have been heart-wrenching for the two parents and all of us who love you and could do so little. Words don't mean much right now while your arms feel so empty and your heart so broken. all we can do is love you from afar and pray your hearts heal.*
