“ *I am so sorry to hear about the passing of Mae Bess. She was my neighbor for many years. It didn't take long when talking to Mae Bess that you would realize what a wonderful Christian she was. She was always to help in any way that she could. I will miss her more than words can say. My sympathy to Betty, Sandra, Barry, Donna and all who loved her. The world is a better place because of her.*

“ *I was so sorry to hear of Mae Bess's passing. I saw her a few months ago at the eye doctor and she was still just as feisty as always. Just know that her and your family are in my thoughts.*

“ *Sandra and Family,*

*I am so sad to hear of your Mother's passing. However, Heaven has gained another wonderful Saint! She was my "work Mom". I will always remember our days at the State of Mississippi back in the 1970's. Our offices were on Lelia Drive and I was downstairs and she was upstairs. We always had the best chats on our breaks. She was just a wonderful, kind and understanding "Mom". I was going through a divorce at the time and she always had a way to make me feel better on the days I was down.*

*I know you will miss her terribly, but as you know, we'll get to see her again! Know that you are in my prayers and thoughts as you go through this process.*

*Love always,*
