“ *Linda (Gaddy) Hall was a couple of grades ahead of me in school at Crystal Springs, where she was a cute and friendly girl who was liked by everyone. In addition to being pretty and having a marvelous personality, Linda was extremely smart. Following Graham's military career they returned to Crystal Springs and Linda simply took up where she'd left off. Her ever-present smile was radiant and she made friends with everyone she met. I'm certain that she was very well received in Heaven. At the same time, she'll be sorely missed on Earth.*
