“ *Sunny, I was so sorry to hear about Martha. I guess she was sick since she was in hospice. She was such a fun and precious person, and I hate that I had completely lost touch over the years. I always thought about her when I passed her house in Crystal Springs. It doesn't matter how old or how sick they are, when you loose someone you love, it's always so hard. I pray the Lord will grant you comfort and peace, as much as possible, during this difficult time.,*

“ *I wish to express my condolences regarding your loss of your Mom, Martha. We all need words of comfort when we mourn the loss of a loved one. Our family lost a loved one just last week and we found true comfort and hope in God's Word, the Bible. John 5:28,29 states that there will be a resurrection. Jesus gave comfort to many when he brought them back to life again while he was on earth. John 11:25 states that he is the resurrection and the life. Revelation 21:4,5 assures us that God will an end death, tears, pain and mourning. Until that time may we all take comfort in knowing that Almighty God Jehovah cares for us as is stated at 1Peter 5:7. May you find comfort as you put faith in God's promises.,*
