“ *I met Mrs. Hydrick one evening when Denny brought me to see his hometown of Crystal Springs. We were both at Mississippi College, and Denny needed to run home for something and asked me to ride. My heart is heavy for her children and grandchildren. I know the hurt that comes with the loss of your mother. Treasure your memories and look forward to the time you will see them again.*

“ *Ms Mary was a dear friend of mine. I called and talked with her every Wednesday. She also called me. I will miss our talks. She let me know every time we talked how much she loved me and I loved her. She is with Pop now.*
