“ *Mary absolutely loved music. She and I performed together since
2007. I will always remember her kind and soft spoken spirit. She
had a deep love for Tim, Mikhala and her family. She will be
missed.... I will always think about Mary when I hear the song, "I
take you there", because she use to cut her eyes over at me to do
that solo. I will love you always my musical sister. Love, Benjamin

*I worked with this beautiful soul for some years. Mary did love music.
When I heard here sing for the first time, I was blown away. We spent a
lot of days at work laughing, her smile just brighten the room. I know
you have a wonderful family because you would talk about them often.
Family I give my condolences, God bless you and he will take care of
you!*

I cherish the fun times, laughs, and experiences we all shared within the band. I will always look to my left on stage in the future and remember Mary fondly doing her thing for the audience, and all the admirers that participated in our shows. Rest in Heaven my Time To Move Band sister.

Heaven has a new Angel and their choir as good as it was just got better. My heart is broken for Tim and Makaila and all of us but I take solace knowing she is in a better place and suffers no more. What a beautiful and loving woman who brought joy and uplifted so many. I always marveled at Mary's voice, she was truly one of a kind. I loved playing with her in the Time to Move Band and some people told me they always came just to hear Mary sing. Well she has gone to her just reward and I take comfort knowing that I will see her again. Tim loved her and helped her in every way a man could, so I know you're hurting my brother, but keep your head held high and always remember the good times! Stay blessed.

I was at a loss for words yesterday. So many gigs with Mary, Tim, Ben, Eric, John, JC and the Time to move band.... sooo many good memories!! All the load in and outs, onstage antics, laughter and foolishness too.. Great singer and singing duo with Husband Tim. Mary was right there helping with everything too. Drummer quit.. no problem. Mary on the drums! My friend has taken her heavenly wings and transitioned from this life. Mary was a kind beautiful spirit that never let what she was going through show through her actions or words. Tim hang in there ole boy darkness is just before day. To the family may God comfort you though this time of sorrow.
