“Michelle was always very kind to me when I went to the meat house. I wish I could have gotten to know her better. My last memory of her was when I was at the meat house and discovered Mustard Flavored pig skins. She wouldn't even let me pay for them and they were so good and yummy. She worked all the time I never got to see her outside of the mean house and I'm very sad because of that. Please accept my condolences Little Jack and your entire family. I am so terrible sorry this has happened. I love y'all
