“ *So sorry to hear about your loss Dianne. Mickey will truly be missed. I will always remember Mickey because he was my age and we first met at about 5 years old. When my parents Frank and Connie Brown took the family to Mississippi, to visit. I returned after I retired from the military, and Julie and I will never forget the family reunion at Mickey's house. Julie had never been to Mississippi, and she has so many memories of fireflies, snapping turtles and the heat. We basically traveled all over Mississippi. You may not remember us, but we remember you and the entire family. We love all of you very much and pray for you and the rest of the family.,*
