“ *When I was five, I found out that it my Mama's birthday, but I didn't like that she didn't have a cake. So I walked down the road and asked my neighbor if she would bake my Mama a birthday cake. I told her "Thank you," walked home with the cake, and surprised my Mama. She was happy, and that made me happy. I think I chased that feeling throughout my life. I wanted to care for her, make her happy and make her feel safe. Now I know she is cared for, happy and definitely safe with the Lord. Now I know that if I'm happy, she will be happy.*

*I love you, Mama*
