“ *I will always remember my time working with Doug on the drill rig for Green Bros. Gravel 40 something years ago. Also remember stopping to visit him and his Dad and going to Sudie's to eat catfish. We remember one Christmas he and his nephews stopped and visited with us at our house. Always enjoyed visiting with him and Diane after they married. I am so glad I stopped and chatted with him for a few minutes this past Thanksgiving weekend. He was a true friend.*
