“ *David is my brother. I FIRST met him through a phone call that Angela mad to me. I turned to walk away from that phone because, anyone that knows me, knows I hate the ohone. Something gave me pause from working in the yard and flowers. I turned and answered it and it was the phone call that changed my life forever. I loved that man, my brother. I am forever eternally in gratitude for that small voice inside me that said answer the phone Lisa. I will miss you King Arse, and that was my name for gim. He forever teased me, it was like we didnt miss a beat from growing up. He forever inspired me to "get my smile on". God bless you Angela, Courtney, Kayla, Karli and David II. I am here if you ever need me.*

David, I will never forget our talk about my daddy. I can remember you comforting me in my time of need in June. And even though you were going through that same battle as my daddy did.. You still prayers with me and talked to me about God. You promised me when you got there you would tell my daddy I love and miss him. So thank you for comforting me and being there for me. Tell your daddy hello for me and I miss him too.. Your gonna be a awesome angel, my friend.

*Sincerely,
