My sister loved to have friends and family over for get togethers just because. She didn't have to have a reason other than this is what she enjoyed. She would share her God given talents with others because this made her happy. She is a daughter of our Heavenly Father who loves her.

“ *i am so sadden to hear of Mrs. Rhonda's death. Surely she is happy with the Lord Jesus Christ as she was here on earth with Him and her Heavenly Father. Her life touched so many others and truly we saw Jesus in her. I will be making a donation to the youth dept. at my church in in loving memory of Mrs. Evans.*

“ Rhonda met me and the father's house ladies in DestraHan LA to go to the glorious conference. Rhonda treated us all at Cafe Du Monde. The next morning she bought us breakfast. I will remember Rhonda as caring, compassionate and a truly loving woman. Everyone loves her and Gene.

Rhonda had the most beautiful smile and biggest heart. I'm really going to miss her. I had planned on calling her last week to invite her to lunch but it was a crazy week for me and the kids with Marcus gone to Chicago. I wish now I had made the time for her. Losing her has really hit me hard. I have lost a part of my heart. I always looked forward to church just so I could hug her and see her beautiful face. I feel like I didn't have enough time with her. It's going to be hard going to church now knowing that she won't be there. I will miss her until we can be together again. I love you Rhonda.

“ The one thing that I remember most about Rhonda is her gratitude and appreciation when you did something for her. Most people just say thank you and move on,, but not Rhonda. When she said thank you not only did you hear it but truly felt it coming from her heart. She made you feel that what you did could not have been done by anyone else in the world. And then there was that smile to finish things off.....Tamalyn and I love you and miss you dearly.....and from the bottom of our hearts "Thank You" for making our lives better by being our friend.
