“ *In Richard's routine visits to our office, there was not a time that our conversation did not center around his personal relationship with Jesus, his love for his precious wife, children & grandchildren. I can hear his voice, his laughter & see his smile! We will miss our brother in Christ but look forward to our heavenly reunion 😊*

“ Richard Sims was a delightful and unforgettable friend. He was a committed Christian and a devoted family man. He talked about Diane all the time and it was obvious that he loved her very deeply. He was proud of his children and my phone is filled with photos of his grandchildren that he texted to me. Many people are going to miss Richard, but none more than his family. I know that they are comforted by the certainty that he will spend eternity with God.

“ RIP my sweet friend... the first time I met Richard he rolled up like a boss! (At the ministry car wash in crystal springs) Lol.. he and I got into a disagreement and he frustrated me with how picky he was.... about how we washed his truck and wanted it washed with Murphy's oil soap. That day I met one of my most loyal friends. 😭
❤️ Me and my husband rented a place from richard and my children are currently living in one of his rentals... over the past 4 years Richard and his family have been those rare friends you run across in ur lifetime. Richard had a heart to help and he loved the Lord and adored his family! I know ur resting easy Richard.. but we're gonna miss you here. Thank you for believing in me.

Goodness, so many years and so many memories, I know you are going to miss him tremendously-- that laugh, that hint of melancholy, that hope in Jesus. Richard always had something going on. Great grief comes from great love. You are in my thoughts and prayers; reach out if you need to talk. I am still in the phone or old directory. I am so sorry he went so early but so good that he did not have the suffering of invalidism.

“ *Wanda and I are so very sorry for your loss. I remember so many good and funny things about Richard and we are saddened by all of this. I should have stopped by to visit, but, unfortunately I have missed that opportunity. However, I am sure we will meet again one day.*
