To the whole Windham Family, Rob was a special person, over the last 25 + years I always enjoyed hearing his laugh and his friendly conversation burst into the room. when you thought he wasn't listening, he was, he remembered everything, and most of all he cared. it always impressed me how much respect he had for his parents and his love for his family was beyond measure. he didn't have to say it, it was all over him. I cannot understand why he left us so early but I hope all of you will find comfort knowing God will use Robs life and this whole situation for good, somehow. Romans 8:28

“ Rob loved his family and friends the same. He was truly my brother and one of my best friends, I could always call on him and he could help me with my problems.

I love his family just like my own. One day Rob & I was in the old post office, we tore down a door that has been closed up for 50 years or longer , opens up to the blue & white Grocey. We walked in together. Made history all over again, this made Rob so happy & excited.

My heart goes out to all his family, I am so sorry we have lost a good man and brother!💔😭🙏

“ Rob helped me and my little sister in one of the most difficult times or our lives. He showed his compassion, giving loving nature, and his true friendship for us to selflessly help us when we needed help so bad. Although he was a friend before that, he became a more close dear friend or ours from that point on. I have never met a more optimistic, fun-loving personality. I can still hear his big laugh and see his big smile. He will be greatly missed and always remembered as a true friend. My heart breaks for the family and all the friends that are hurting.
