“ I am very happy for Bob because he is in Heaven with Jesus, but sad for myself because of his absence from Earth. Bob was in my Sunday School class after he retired (sort of) from active, pastoral ministry. For several years he was my go-to substitute teacher, a task at which he was masterful. Sometimes he filled in for the pastor, and I loved hearing him preach. He was down-to-earth with his illustrations of Biblical truths, in a very profound way. Bob Mack was my happy, faithful friend, and I look forward to seeing him again.
