I am saddened by the passing of this lifelong friend, and I extend my condolences to Bob's family and his innumerable friends.

We became friends as preschool kids. This was because our parents took us to Sunday School and church every Sunday, as well as other church events. In 1949 we started first grade together--there was no kindergarten in Crystal Springs back then--and we were pals all the way through school.

For many years Bob served as a peace officer with various departments, including the Crystal Springs Police Department and the Copleah County Sheriff's Department. Also, he was an officer on the campus police force at University Medical Center. Bob's professional reputation was one of absolute, unwavering honesty.

He and Pat established a Christian home in which they reared exceptionally fine children, all of whom, as adults, are good citizens who are very much like their parents.

Bob made legions of friends everywhere he went and none of us will ever forget this good man.

“*Bob was a classmate and a friend for many years. He and his family members were all considered extended family. My aunt and uncle had a little country store just up the road from the Clowers. I have many fond memories of this fellow, and I pray for his family and friends during this hard time. He will certainly be missed.*”

Bob was a great friend. We grew up together hunting and fishing. We also went to school together. I know I will always miss him.
