“ I haven't seen Bob since around 1980 or so, but he was always in a good mood and was a fun guy to be around. I have several hilariously funny memories of him. RIP

I worked with "Bob" offshore. He always shared his beliefs in Jesus with me , we always tried to solve the worlds problems sitting around his table in the welding shop. I always considered Bob a great roll model in my life. Been many years sense I had seen Bob and often wondered about him. May you Rest In Peace good old friend !
