“ *My father was a Godly example to follow. Even his last days on earth he was visiting and ministering to his local nursing home Arbor Village, and the local Jail in Creek County Oklahoma.*

*His last visit to the nursing home he was too weak to sing so he asked someone to sing while he played guitar, but he would not miss going.*

*He taught his children to Love the Lord Jesus and made sure they attended church every week.*

*I love my dad and will miss him dearly.*

*Galvin... Richard was one very special man! I SO enjoyed our times together in Jackson and when I came out to be with him out in Oklahoma. We did so much together - TV ministry - hospital and nursing home ministry. I was so glad when my church opened up the adult enrichment center and your dad brought your mother to come and enjoy the day over there at Belmont UMC. Richard had such a kind and generous heart and truly was a "PASTOR" in all senses of the word. A great example of Christ and I firmly believe he heard "JOB WELL DONE" when Christ was there to greet him. I will miss him greatly, and look forward to the day when I "get to see him again" and celebrate. My BEST to YOU and your family. Praise the Lord for Richard's wonderful life and ministry and family!*
