“ Robin was such a bright spot in our lives. We've missed her and her much loved, beautiful mountain dog. The weather today is a little cool and tells me we should plan a bonfire at her home. I never knew Mike but heard so much about him from Robin and others. Together, they loved the Lord and serving at Gallman Baptist Church. She was a person who considered what was right in God's eyes, not man's. She gave freely as He directed and was one of the ones who helped with the decor of the new church building. It's beautiful, Robin. Thank you for your input, your love for the Lord, your love and friendship, for your hospitality, for your interest in others.

“ We had totally lost touch. Robin was my first cousin. Her father and my Mother (Julia Louise Crotwell Miles) were siblings. I remember her from our childhood times on Mawmaw and Pawpaw's farm in Pulaski. My prayers are with her family.
