“ Sammy so thankful Ray and I were able to spend time with you the night before Jesus came to take you home. I will always remember how special you made me feel. Ray and I felt like your family had adopted us. We didn't know Greg that well, but that didn't stop the hurt we felt when he passed away. But when God call you home I felt as though the floor disappeared from beneath my feet. The first thing I remember thinking was no not you too, they had just lost Gerg 2 1/2 years ago. How can they go through this again. Your parents are the strongest people I know. And I also know that their strength comes from the Lord. If anyone can get them through this He can. Sammy I hope you could see Gage at your funeral he did an awesome tribute to you. I was so-o-o-o proud of him!! I remember thinking oh what a great job Sammy did in rasing his family. Sammy will never forget you or your hugs, RIP my sweet, sweet dear friend:),

“ *I will miss your beautiful smile most of all. The most precious memory I have of you was when we were in Mrs. Bishop's kindergarten class at Union Academy. We were at the school one night (can't remeber the event) and you wanted me to come home and spend the night with you and we were told by our parents that little girls didn't spend the night with little boys (even though we were related...LOL). You and I both started to cry and you looked up at your mom and said but why mommy "I love her"!!!! Well guess what???? I LOVE YOU TOO!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!,*
