I remember how we use to twirl batons and march like we had a band following us, playing We would dance and sing, twirl and laugh. So many cherished memories. She was an incredible and loving friend. “ Remember you from high school. I was good friends with Tommy Joe, but your friend also. I remember when you and Bill were stationed in Hof Germany. I also was stationed there and you had me over for dinner. Was always great for a single airman to have home town friends close. Rest in Peace!
