Dear Tina and family,

I was so shocked to recently here of Thelma's passing, I, too, just lost my dear mother, and I know the heartache you are experiencing. Thelma had a beautiful spirit and brought joy to all who know her. She will be sorely missed. I still have all of the sweet Christmas gifts she surprised me with when I worked at the bank. My thoughts and prayers are with you all.

*Love,

“ *Ms. Thelma, as I affectionately called her, was a wonderful woman with a heart the size of Texas. She and my Mom were the best of friends and shared all of their lives joys, blessings, pains and sorrows together. My Mom and I reminisced the other day about the first time they'd met and all the times they/we'd spent together in Chesapeake, in Moyock, in Mississippi and during Ms. Thelma's past visits to Virginia Beach. Ms. Thelma had a bubbly, vivacious personality, was highly opinionated and unafraid of telling you "like it is". She was thoughtful, caring and generous to a fault and she will be deeply missed by our entire family. The memory of our times spent together, our friendship and love will forever be cherished in our hearts. Our heartfelt sympathy goes out to her children, Tina, Talie, TJ and Tiffany; her grandchildren and family. ~ Marisa Belloso Patterson & the Belloso Family*

“ *Thelma Germain was one of my best friends.....we even called each other "sisters". We talked on the phone almost every week. We discussed the politics, our children and grandchildren, and great grandchildren. We also remembered how times had changed over the years, and wished it would go back to old times. She was a wonderful mother, and loved her children dearly. Thelma cherished each one of them. Loved her grandchildren very much, and her great grandchildren. She was a very independent woman, fought many battles, and told you straight out how she felt. She loved dancing and country and western music, and was an excellent cook too!! We spent just about everyday together when we lived in Ms, several years ago. She was a sweet, loving lady of her word. She will be deeply missed by me, and especially her loving children, Tina, Talie, T.J. and Tiffany. Her passing was a shock to all. We all Loved you Thelma. R.I.P. my dear "sister" Will never forget you and the wonderful times we had together. My deepest condolences to her children and family.*
