“ *My sincere condolences to the family. Wanna was my best friend in Junior High and senior high school (same graduating class of 1963 from Meridian High School MS). I had hoped to see her at the 50th class reunion, but I was not able to attend and guessing she was not there either. We shared the same last name of Davis, but no relation. We remained friends for several years after school, but then lost touch. I am so sorry for your loss.,*

“ *I was a childhood friend of "Wanna Fay", as we called her then. I lost track of her, but did think of her and wondered what happened to her. She was a sweet and lovely girl. My sympathy to her family.,*
