*I have known Wilma Ellis for 26 years, & she treated me like a Second Son to her. She was the most sweetest person I know, or knew. She always made me feel like I was a part of her family, which I was. I really appreciate what she did for me, & I am going to miss her very much. But, I know that God is taking good care of her, & that she has a brand new body up in Heaven, which will never get old, sick, tired, or anything else. May you Rest in Peace my Sweet Friend.*
