“ *Mr. and Mrs. Hammack were pillars of our church and of our community. When I was in my early teens he was my Sunday School teacher. Mrs. Hammack served as church secretary for quite a few years. They were God-fearing, hard-working, honorable people who reared wonderful children. They were good role models for younger people and helpful, reliable friends to all who knew them. I thank God for the positive influence they had upon me, my younger brothers, my children, and all who had the privilege of knowing them.*
